Detailed Detections Report

O'Dea Farming
Robina, QLD 4226

Wholesaler: No Wholesaler

Date	Batch	Product	Code	Substance	MRL Level	Ratio
23/03/06	B060235	Lettuce-Oak Leaf Green	C3	OK All substances below LOR		

Notes All substances included under the Test Code, and not recorded above, were below the Level of Reporting (LOR). See attached list for LOR's and Substances tested under the stated Test Code.
Chemical values are expressed as mg/kg (ppm). Microbial values are expressed as cfu/gram.
Ratio is the Detection Level as a percentage of the MRL. MRL is the Maximum Residue Limit.
All laboratories used in the FreshTest program have the relevant NATA accreditation.

Report Date: 16/05/06
